

# CLOUD STAR CORPORATION

## MATERIAL SAFETY DATA SHEET

**PRODUCT NAME:** Cloud Star Buddy Wash Pet Shampoo, Original Lavender & Mint  
# 167-H068

### SECTION I

Manufacturer's Name: Cloud Star Corporation  
Address: P.O. Box 14437, San Luis Obispo, CA 93406  
Emergency Telephone Number: (805) 544-1590 Fax: (805) 544-1593  
Date Prepared: April 11, 2011  
Prepared By: BWJ

This sheet has been prepared in accordance with the requirements of the OSHA Hazard Communication Standard.

### SECTION II – Hazardous Ingredients

No known hazardous ingredients.

### SECTION III – Physical / Chemical Characteristics

Specific Gravity (H<sub>2</sub>O = 1) Range: 0.97-1.02

Solubility in Water: Water Soluble

Appearance and Odor: Off-White Botanical / Minty Liquid

Boiling Point: N/D

### SECTION IV – Fire and Explosion Hazard Data

Flash Point (Method Used): N/D

Flash Point: N/D

Alcohol Content of Product: None

Fire Fighting Procedures: Use dry chemical foam or CO<sub>2</sub>

Extinguishing Media: Use media proper to primary cause.

Unusual Fire and Explosion Hazards: Closed containers may explode (due to pressure build up) when exposed to extreme heat.

Physical Hazards: None

## **SECTION V – Reactivity Data**

Stability: This material is stable under normal handling and storage conditions described in Section VII.

Conditions to Avoid: Extreme heat or sun, freezing, and open flame.

Incompatibility (Materials to Avoid): Strong acids, strong bases, strong oxidizing agents, and strong reducing agents.

Hazardous Decomposition or Byproducts: N/A

## **SECTION VI – Health Hazard Data**

### 1. Effects of Acute Accidental Exposure:

Eye Contact: No data available, but may irritate eyes in a selected portion of the population.

Skin Contact: No data available, but may cause slight irritation in a selected portion of the population.

Inhalation: No data available, but may cause upper respiratory irritation.

Ingestions: No data available. In case of ingestion, contact local poison control center.

### 2. Effects of Chronic Exposure: These products have been used extensively by consumers and CLOUD STAR CORPORATION is not aware of any significant adverse effects.

### 3. Emergency and First Aid Procedures:

Eye Contact: No data available. However, if symptoms develop, flush with water for at least 15 minutes. If symptoms persist, seek medical attention.

Skin Contact: No data available. However, if rash or irritation occurs, wash exposed area with soap and water. If symptoms persist, seek medical attention.

Inhalation: No data available. However, if symptoms develop, immediately help individual away from exposure and into fresh air. If symptoms persist, seek medical attention.

Ingestion: No data available. In case of ingestion, contact local poison control center.

## **SECTION VII – Precautions for Safe Handling and Use**

1. Containment, Clean up, and Disposal of Spill: Product may be a slip hazard if spilled. Contain large spills with inert absorbent material. Sweep up and place in a closed container. Clean up residual material by wash area with hot water. Collect washings for disposal. Disposal should be in accordance with all applicable Local, State, and Federal regulations.
2. Storage: Store in a dry, well-ventilated area away from ignition sources and away from incompatible materials (see Section V). Expected shelf life if stored under optimum conditions is two years.

## **Section VIII – Control Measures**

Engineering Controls: Overexposure is unlikely. Since all possible use parameters cannot be foreseen, the use of engineering controls (including dilution, ventilation, and others) to reduce exposure may be necessary.

Eye Protection: For reasonable foreseeable uses of this product, eye and face protection is not required.

Protective Gloves: For reasonable foreseeable uses of this product, skin protection is not required.

Respiratory protection: For reasonable foreseeable uses of this product, respiratory protection is not required.

Work Hygienic Practices: Always follow good hygienic work practices. Avoid eye contact. Promptly clean up all spills.

DOT Class: Non-flammable toiletries.

## **SECTION IX – Special Precautions and Comments**

Precautions to be taken in handling and storing:

Information presented herein has been compiled from sources considered by the company, in good faith, to be dependable and is accurate and reliable to the best of our knowledge or belief. However, the company cannot make any warranty or representation respecting the accuracy or completeness of the data and assumes no liability of damages relating thereto or for advising you regarding the protection of your employees, customers or others. Users should make their own tests to determine the applicability of such information or suitability of any products for specific use.

**DO NOT FREEZE. DO NOT HEAT ABOVE 110 DEGREES F. STORE AT AMBIENT TEMPERATURE.**
