

SAFETY DATA SHEET

1. PRODUCT AND COMPANY IDENTIFICATION

Product name: Legacy of Clean™ Prewash Spray - Laundry Prewash Spot Remover Spray

Product code: 110402, 110403

Recommended use: Laundry pretreatment product

Distributed by: **Product information:**

Access Business Group International LLC Amway Corp. (58C-2A)
7575 Fulton Street East 7575 Fulton Street East
Ada, Michigan 49355 Ada, Michigan 49355
Information #: 1-800-253-6500

For Transportation Emergencies: ChemTrec @ 1-800-424-9300

**For Poisoning Emergencies call Amway's poison control service in the United States at 1-616-787-6307
(This is a 24-hour number.)**

2. HAZARDS IDENTIFICATION

This product is hazardous according to the criteria of the OSHA Hazard Communication Standard.

Harmful if swallowed.
Irritating to eyes.
Flammable.
Container under pressure.

3. COMPOSITION / INFORMATION ON INGREDIENTS

Chemical Name	Common Name	Weight %	CAS #
Alcohols, C10-16, ethoxylated	Surfactant	30-40	68002-97-1
Isobutane	Isobutane	5-10	75-28-5
Propane	Propane	5-10	74-98-6

4. FIRST AID MEASURES

Inhalation: Move to fresh air. If irritation or breathing difficulty develops, GET MEDICAL ADVICE by calling a poison control center, doctor or hospital emergency room.

Skin contact: Rinse skin thoroughly with water.

Eye contact: Remove contact lenses. Rinse with gentle stream of water for 15 minutes, holding eyelids open. Get medical advice by calling a poison control center, doctor or hospital emergency room.

Ingestion: If victim is a child, give 4-8 ounces of water. For adults, give 8-12 ounces of water. Do not induce vomiting when this product is swallowed. If vomiting occurs spontaneously, keep victim in an upright position. GET MEDICAL ADVICE by calling a poison control center, doctor or hospital emergency room.

5. FIRE FIGHTING MEASURES

NFPA rating: Health 2, flammability 4, reactivity 0

(The NFPA hazard rating system is intended to provide basic information to fire fighting, emergency, and other personnel, enabling them to easily decide whether to evacuate the area or to commence emergency control procedures. It is not applicable to transportation or use by the general public and is not intended to address occupational exposures.)

Suitable extinguishing media: Use extinguishing media suitable for surrounding materials. This product is not known to be incompatible with any extinguishing media.

Specific hazards: Vapor pressure build-up due to fire heat may cause container rupture and rocketing.

Special protective equipment for firefighters: Use standard fire-fighting protective equipment.

6. ACCIDENTAL RELEASE MEASURES

Personal precautions: Wear appropriate personal protection equipment (respirator, gloves, goggles, and/or faceshield, boots, protective clothing).

Environmental precautions: Prevent further leakage or spillage. Contain spill to prevent environmental release.

Methods for cleaning up: No special collection methods required. Dispose of in accordance with all national and local regulations.

7. HANDLING AND STORAGE

Handling: No special technical protective measures required. Use only in area provided with adequate ventilation. Do not puncture or burn even after use. Do not spray toward flame or heated object. Keep away from sources of ignition - no smoking. Use only as directed. Do not breathe vapours or spray mist.

Storage: Protect from exposure to sun and temperatures above 120 degrees F. No special restrictions on storage with other products.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Engineering measures: Mechanical ventilation is not normally necessary when this product is used according to product label directions.

Respiratory protection: Follow label directions. Respiratory protective equipment is not normally necessary when this product is used according to product label directions. Where use conditions and/or extent and duration of exposure differ from typical household consumer use, appropriate protective equipment may be necessary to minimize exposures.

Hand protection: Follow label directions. Skin protection is not normally necessary when this product is used according to product label directions. Where use conditions and/or extent and duration of exposure differ from typical household consumer use, appropriate protective equipment may be necessary to minimize exposures.

Eye protection: Follow label directions. Avoid contact with eyes.

Skin protection: Follow label directions. Skin and body protection is not normally necessary when this product is used according to product label directions. Where use conditions and/or extent and duration of exposure differ from typical household consumer use, appropriate protective equipment may be necessary to minimize exposures.

Chemical Name	ACGIH TWA	ACGIH STEL	ACGIH CEILING	ACGIH - Skin Absorption Designation
Isobutane	1000 ppm			
Propane	1000 ppm			

Chemical Name	OSHA TWA	OSHA-Table Z-3 Mineral Dust	OSHA CEILING	OSHA - Skin Notations
Propane	1000 ppm 1800 mg/m ³			

General industrial hygiene practice: This product is sold as a consumer product. Where use conditions and/or extent and duration of exposure differ from typical household consumer use, appropriate protective equipment may be necessary to minimize exposures. Handle in accordance with good industrial hygiene and safety practice.

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state: Aerosol product

Color: colorless

Odor: citrus

pH: No data available

Relative density: 0.906 - 0.924

Flash Point (°F): < 73

Flash Point (°C): < 23

Method: Setaflash Closed Cup Tester

10. STABILITY AND REACTIVITY

Conditions to avoid: Heat, flames and sparks.

Materials to avoid: Contact with highly reactive chemicals like strong acids, strong bases, oxidizers or reducing agents may cause a dangerous reaction.

Hazardous decomposition products: Not determined

11. TOXICOLOGICAL INFORMATION

Principle Routes of Exposure: Eye contact, skin contact, inhalation

Aggravated medical conditions: Exposure to this product may aggravate pre-existing skin, eye, and respiratory disorders.

Inhalation: Inhalation of mists can cause irritation of the upper respiratory tract.

Skin contact: Prolonged skin contact may cause skin irritation.

Eye contact: Contact with this product can cause mild to moderate eye irritation.

Ingestion: Due to the aerosol nature of this product, ingestion is unlikely. Ingestion of this product can cause irritation of the mouth and throat, upset stomach, nausea, vomiting and diarrhea.

Further information: Inhalation overexposure to isobutane vapors can cause drowsiness, loss of consciousness, asphyxia and death. Inhalation overexposure to propane vapors can cause drowsiness, loss of consciousness, asphyxia and death.

12. ECOLOGICAL INFORMATION

Environmental Classification: This product is not classified as dangerous for the environment.

13. DISPOSAL CONSIDERATIONS

Waste from residues / unused products: Dispose of in accordance with local regulations.

Empty containers: Do not puncture or burn, even after use. Do not re-use empty containers. Only empty packaging can be recycled.

14. TRANSPORT INFORMATION
