Section 1. Chemical Product and Company Identification

Product name: VETO
Product Use: Germicidal Bowl Cleaner
Product Code: 1040
Date of issue: 01/25/07

This product is a registered pesticide. Number: 1270-204

Section 2. Composition, Information on Ingredients

Section 3. Hazards Identification

Acute Effects Routes of Entry Dermal contact. Eye contact. Inhalation.

Skin Skin contact may produce burns. Skin inflammation is characterized by itching, scaling, reddening, or, occasionally, blistering. Harmful if absorbed through the skin.

Eyes Causes eye burns. Direct contact with the eyes can cause irreversible damage including blindness.

Inhalation Inhalation of the spray mist may produce severe irritation of respiratory tract, characterized by coughing, choking, or shortness of breath. Over-exposure by inhalation may cause respiratory irritation.

Ingestion Harmful if swallowed. May cause burns to mouth, throat and stomach.

NOTE: MSDS data pertains to the product as delivered in the original shipping container(s). Risk of adverse health effects are lessened by following all prescribed safety precautions, including use of proper personal protective equipment.

Carcinogenic Effects Ingredients: Not listed as carcinogen by OSHA, NTP or IARC.

Chronic Effects Repeated or prolonged contact with spray mist may produce chronic eye irritation and severe skin irritation. Repeated or prolonged exposure to spray mist may produce respiratory tract irritation leading to frequent attacks of bronchial infection. Repeated exposure to a highly toxic material may produce general deterioration of health by an accumulation in one or many human organs.

See Toxicological Information (section 11)

Section 4. First Aid Measures

Eye Contact Check for and remove any contact lenses. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention immediately.

Skin Contact In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Wash clothing before reuse. Thoroughly clean shoes before reuse. Get medical attention.

Inhalation If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.
Ingestion
Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. If affected person is conscious, give plenty of water to drink. Get medical attention immediately.

Section 5. Fire Fighting Measures
Flash Point Not applicable. Flammable Limits Not applicable.
Flammability Non combustible.
Fire Hazard Not applicable.
Fire-Fighting Procedures Wear special protective clothing and positive pressure, self-contained breathing apparatus.

Section 6. Accidental Release Measures
Spill Clean up Put on appropriate personal protective equipment (see Section 8). Absorb with an inert material and place in an appropriate waste disposal container. To clean the floor and all objects contaminated by this material, use detergent. Finish cleaning by spreading water on the contaminated surface and dispose of according to local and regional authority requirements.

Section 7. Handling and Storage
Handling Avoid contact with eyes, skin and clothing. Do not ingest. Avoid breathing vapors or spray mists. Use only with adequate ventilation. Keep container closed. Wash thoroughly after handling. Wash contaminated clothing before reusing. Observe label precautions.
Storage Keep container tightly closed in a cool, well-ventilated place. Keep containers sealed until ready for use. Store between 40°F - 120°F (4.4°C - 49°C). Keep away from incompatibles. Keep away from food, drink and animal feeding stuffs. Keep out of the reach of children.

Section 8. Exposure Controls, Personal Protection
Eyes Chemical splash goggles or face shield.
Body Wear appropriate protective clothing to prevent skin contact. Recommended: Rubber gloves. Synthetic apron.
Respiratory Wear appropriate respirator when ventilation is inadequate.

Section 9. Physical and Chemical Properties
Physical State Liquid. (Viscous liquid.)
pH 0.0-0.5
Boiling Point 104.44°C (220°F)
Specific Gravity 1.18 (Water = 1)
Solubility Easily soluble in cold water, hot water.

Section 10. Stability and Reactivity
Stability and Reactivity The product is stable.
Incompatibility Reactive with oxidizing agents, metals, alkalis, bleach.
Hazardous Polymerization Will not occur.
Hazardous Decomposition Products When heated to decomposition it emits toxic fumes.

Section 11. Toxicological Information
Toxicity to Animals Phosphoric Acid:
ORAL (LD50): Acidic: 4400 mg/kg [Rat].
DERMAL (LD50): Acute: >3160 mg/kg [Rabbit].
Hydrochloric Acid:
ORAL (LD50): Acute: 900 mg/kg [Rabbit].
VAPOR (LC50): Acute: 3124 ppm 1 hour(s) [Rat].

Section 12. Ecological Information
Ecotoxicity Not available.
Biodegradable/OECD Not available.

Section 13. Disposal Considerations
Waste Information Waste must be disposed of in accordance with federal, state and local environmental control regulations.
Waste Stream Code: D002 Classification: - (Hazardous waste.) Origin: - (RCRA waste.)

Consult your local or regional authorities.
**Section 14. Transport Information**

**Proper shipping name**: Corrosive liquid, acidic, inorganic, n.o.s. (Phosphoric Acid)

**DOT Classification**: DOT Class 8: Corrosive liquid.

**UN number**: UN3264

**NOTE**: DOT classification applies to most package sizes. For specific container size classifications or for size exceptions, refer to the Bill of Lading with your shipment.

**Section 15. Regulatory Information**

**U.S. Federal Regulations**

- SARA 313 toxic chemical notification and release reporting: No products were found.
- Clean Water Act (CWA) 311: Hydrochloric Acid (RQ 5,000 lbs); Phosphoric Acid (RQ 5,000 lbs)
- Clean air act (CAA) 112 regulated toxic substances: No products were found.
- All Components of this product are listed or exempt from listing on TSCA inventory.

**State Regulations**

California prop. 65: No products were found.

**Section 16. Other Information**

To the best of our knowledge, the information contained herein is accurate. However, neither the above named supplier nor any of its subsidiaries assumes any liability whatsoever for the accuracy or completeness of the information contained herein.

Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.
