SAFETY DATA SHEET

1. PRODUCT AND COMPANY IDENTIFICATION

Product name: Legacy of Clean™ Metal Cleaner
Product code: 116390
Recommended use: Paste cleaner for metals
Distributed by: Amway Corp. (58C-2A)
7575 Fulton Street East
Ada, Michigan 49355
Information #: 1-800-253-6500

For Transportation Emergencies: ChemTrec @ 1-800-424-9300
For Poisoning Emergencies call Amway's poison control service in the United States at 1-616-787-6307
(This is a 24-hour number.)

2. HAZARDS IDENTIFICATION

Contact with eyes may cause irritation.

</table>

Kieselguhr, soda ash flux-calined (CAS# 68855-54-9) contains up to 40% cristobalite (crystalline silica) as CAS# 14464-46-1 and up to 4% quartz (crystalline silica) as CAS# 14808-60-7. The levels of quartz and cristobalite indicated in the preceding table include the contribution from Kieselguhr, soda ash flux-calined.

4. FIRST AID MEASURES

Inhalation: Move to fresh air. If irritation or breathing difficulty develops, GET MEDICAL ADVICE by calling a poison control center, doctor or hospital emergency room.

Skin contact: Rinse skin thoroughly with water.

Eye contact: Remove contact lenses. Rinse with gentle stream of water for 15 minutes, holding eyelids open. Get medical advice by calling a poison control center, doctor or hospital emergency room.
**Ingestion:** If victim is a child, give 4-8 ounces of water. For adults, give 8-12 ounces of water. Do not induce vomiting when this product is swallowed. If vomiting occurs spontaneously, keep victim in an upright position. GET MEDICAL ADVICE by calling a poison control center, doctor or hospital emergency room.

**5. FIRE FIGHTING MEASURES**

**NFPA rating:** Health 0, flammability 0, reactivity 0

(The NFPA hazard rating system is intended to provide basic information to fire fighting, emergency, and other personnel, enabling them to easily decide whether to evacuate the area or to commence emergency control procedures. It is not applicable to transportation or use by the general public and is not intended to address occupational exposures.)

**Suitable extinguishing media:** Use extinguishing media suitable for surrounding materials. This product is not known to be incompatible with any extinguishing media.

**Specific Hazards:** No special exposure hazards are known.

**Special protective equipment for firefighters:** Use standard fire-fighting protective equipment.

**6. ACCIDENTAL RELEASE MEASURES**

**Personal precautions:** Wear appropriate personal protection equipment (respirator, gloves, goggles, and/or faceshield, boots, protective clothing).

**Environmental precautions:** Prevent further leakage or spillage.

**Methods for cleaning up:** No special collection methods required. Dispose of in accordance with all national and local regulations.

**7. HANDLING AND STORAGE**

**Handling:** No special technical protective measures required. Avoid letting the product become dry. While still wet, rinse off with warm water.

**Storage:** No special storage conditions required. No special restrictions on storage with other products.

**8. EXPOSURE CONTROLS / PERSONAL PROTECTION**

**Engineering measures:** Mechanical ventilation is not normally necessary when this product is used according to product label directions.

**Respiratory protection:** Follow label directions. Respiratory protective equipment is not normally necessary when this product is used according to product label directions. Where use conditions and/or extent and duration of exposure differ from typical household consumer use, appropriate protective equipment may be necessary to minimize exposures.

**Hand protection:** Follow label directions. Skin protection is not normally necessary when this product is used according to product label directions. Where use conditions and/or extent and duration of exposure differ from typical household consumer use, appropriate protective equipment may be necessary to minimize exposures.

**Eye protection:** Follow label directions. Avoid contact with eyes.

**Skin protection:** Follow label directions. Skin and body protection is not normally necessary when this product is used according to product label directions. Where use conditions and/or extent and duration of exposure differ from typical household consumer use, appropriate protective equipment may be necessary to minimize exposures.
9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state: paste  
Color: off-white  
Odor: mild  
PpH: 1.2-1.8  
Relative density: 1.20-1.43  

Flash Point (°F): Not applicable  
Flash Point (°C): Not applicable  
Flashpoint Test Method: Not applicable  

10. STABILITY AND REACTIVITY

Conditions to avoid: No conditions are known which would initiate a dangerous reaction.  
Materials to avoid: Contact with highly reactive chemicals like strong acids, strong bases, oxidizers or reducing agents may cause a dangerous reaction.  
Hazardous decomposition products: Not determined  

11. TOXICOLOGICAL INFORMATION

Principle Routes of Exposure: Eye contact, skin contact, inhalation  
Aggravated medical conditions: Exposure to this product may aggravate pre-existing skin, eye, and respiratory disorders.  
Inhalation: Inhalation of dust can cause irritation of the upper respiratory tract. See additional information below.  
Skin contact: This product is not classified as a skin irritant. Acid reserve testing concluded that this product is not irritant. Acid reserve value is greater than 1. This product has been tested on humans without causing significant irritation.  
Eye contact: This product is not classified as an eye irritant. Contact with this product can cause mild to moderate eye irritation.  
Ingestion: Ingestion of this product can cause irritation of the mouth and throat, upset stomach, nausea, vomiting and diarrhea.  
Further information: Inhalation of crystalline silica dusts can cause lung damage (silicosis). Crystalline silica is an IARC Class 2A carcinogen (probably carcinogenic to humans). Inhalation overexposure to amorphous silica dust may cause changes in the lung (visible only by x-ray) without disability.  

12. ECOLOGICAL INFORMATION

Environmental Classification: This product is not classified as dangerous for the environment.
13. DISPOSAL CONSIDERATIONS

Waste from residues / unused products: Dispose of in accordance with local regulations.

Empty containers: Do not re-use empty containers. Only empty packaging can be recycled.

14. TRANSPORT INFORMATION

This product has been tested against the UN protocol used to classify transportation hazards and it does not meet the definition of hazardous.

**DOT:**
- UN/ID No.: Not applicable
- Proper shipping name: Not applicable
- Hazard class: Not applicable
- Packing group: Not applicable

**IMDG/ADR:**
- UN/ID No.: Not applicable
- Proper shipping name: Not applicable
- Hazard class: not applicable
- Packing group: Not applicable

**ICAO/IATA:**
- UN/ID No.: not applicable
- Proper shipping name: not applicable
- Hazard class: not applicable
- Packing group: Not applicable

The information contained in this document is subject to change or update due to changing government regulations. The user of this document assumes responsibility for complying with all applicable national and international laws and regulations regarding the shipment of Dangerous Goods.

15. REGULATORY INFORMATION

EPA RCRA Hazardous Waste Classification: D002

16. OTHER INFORMATION

The information contained herein is believed to be accurate and represents the best information currently available to us, much of which comes from the manufacturer or supplier of components of this product. Therefore, Access Business Group LLC makes no warranty, express or implied, regarding the accuracy of the data. Health and safety precautions in this data sheet may not be adequate for all individuals and product uses. It is the user's obligation to make certain that this MSDS is the most current MSDS for the product; to evaluate the information contained in this sheet in connection with the uses to which the product is to be put in the workplace and to use the product safely in accordance with applicable laws and regulations. Access Business Group LLC assumes no responsibility for injury from the use of the product described in this sheet in a way different from that provided in the label directions.
