2. Hazards Identification

**Emergency overview**

WARNING: To prevent fire

KEEP FREE FROM FOREIGN OBJECTS (e.g. MATCHES). To prevent fire, never leave a burning candle unattended, near flammable material, or for more than 4 hours. Place on a flat, heat resistant surface, away from draughts. DO NOT burn candles on or near anything that can catch fire. Store candle in an upright position. DO NOT use on hot surfaces e.g. T.V. VCR, DVD. Keep wick trimmed to 1 cm (1/2") to avoid excessive smoking. DO NOT move or tip while lit or before liquid hardens. DO NOT allow the flame to touch the side of the glass holder. Glass will be hot during and after use. Once the candle reaches the end of life, there will typically be around 2.5 cm (1") of wax remaining. Never allow the candle to burn all the way down. Extinguish candle by blowing gently. DO NOT use if the glass is damaged. DO NOT use the glass candle holder for drinking purposes or for storing food. Always leave at least 20cm (8") between burning candles.

Burn within sight. Keep away from things that catch fire. Keep away from children. Keep wax pool free of debris. Do not allow flame to touch glass. Once the candle reaches the end of life, there will typically be around 2.5cm (1") of wax remaining. Wick contains no lead. DO NOT reuse batteries.

KEEP OUT OF REACH OF CHILDREN.

**Potential short term health effects**

4. First Aid Measures

First aid procedures

**Eye contact**
Check for and remove any contact lenses. Immediately flush eyes with plenty of water for several minutes, occasionally lifting upper and lower eyelids. Get medical attention if irritation occurs.

**Skin contact**
Wash contaminated skin with soap and water. Get medical attention if symptoms occur.

**Inhalation**
Move exposed person to fresh air. If not breathing, if breathing is irregular or if respiratory arrest occurs, provide artificial respiration or oxygen by trained personnel. Loosen tight clothing such as a collar, tie, belt or waistband. Get medical attention if symptoms occurs.

**Ingestion**
Wash out mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Get medical attention if symptoms occur.

Notes to physician
Treat patient symptomatically.

General advice
If you feel unwell, seek medical advice (show the label where possible). Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves. Show this safety data sheet to the doctor in attendance. Keep out of reach of children.

5. Fire Fighting Measures

**Flammable properties**
Not flammable by OSHA criteria.

**Extinguishing media**

- **Suitable extinguishing media**
  Treat for surrounding material.

- **Unsuitable extinguishing media**
  Do not use a solid water stream as it may scatter and spread fire.

**Protection of firefighters**

- **Specific hazards arising from the chemical**
  Not available

- **Protective equipment for firefighters**
  Firefighters should wear full protective clothing including self contained breathing apparatus.

**Hazardous combustion products**
May include and are not limited to: Oxides of carbon.

**Explosion data**

- **Sensitivity to mechanical impact**
  Not available

- **Sensitivity to static discharge**
  Not available

6. Accidental Release Measures

**Personal precautions**
Wear appropriate personal protective equipment.

**Environmental precautions**
Do not discharge into lakes, streams, ponds or public waters.

**Methods for containment**
Prevent entry into waterways, sewers, basements or confined areas.

**Methods for cleaning up**
Pick up and discard.

7. Handling and Storage

**Handling**
Ensure adequate ventilation.
KEEP FREE FROM FOREIGN OBJECTS (e.g. MATCHES). To prevent fire, never leave a burning candle unattended, near flammable material, or for more than 4 hours. Place on a flat, heat resistant surface, away from draughts. DO NOT burn candles on or near anything that can catch fire. Store candle in an upright position. DO NOT use on hot surfaces e.g. T.V. VCR, DVD. Keep wick trimmed to 1 cm (1/2") to avoid excessive smoking. DO NOT move or tip while lit or before liquid hardens. DO NOT allow the flame to touch the side of the glass holder. Glass will be hot during and after use. Once the candle reaches the end of life, there will typically be around 2.5 cm (1") of wax remaining. Never allow the candle to burn all the way down. Extinguish candle by blowing gently. DO NOT use if the glass is damaged. DO NOT use the glass candle holder for drinking purposes or for storing food. Always leave at least 20cm (8") between burning candles.
Storage
Keep out of reach of children.
Store away from heat.
Keep away from direct sunlight.
Store in a dry, cool and well-ventilated area, away from incompatible materials and food and drink.

8. Exposure Controls / Personal Protection

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

**Engineering controls**  
General ventilation normally adequate.

**Personal protective equipment**

- **Eye / face protection**  
  Not normally required under normal use conditions.

- **Hand protection**
  No special requirements under normal use conditions.

- **Skin and body protection**  
  Usual safety precautions while handling the product will provide adequate protection against injury or irritation.

- **Respiratory protection**  
  Not normally required under normal use conditions.

- **General hygiene considerations**
  Handle in accordance with good industrial hygiene and safety practice. When using do not eat or drink. Washing with soap and water after use is recommended as good hygienic practice to prevent possible eye irritation from hand contact.

10. Stability and Reactivity

Reactivity
This product may react with strong acids.
Possibility of hazardous reactions
Hazardous polymerization does not occur.
Chemical stability
Stable under recommended storage conditions.
Conditions to avoid
Keep away from extreme heat.
Exposure to moisture.
Keep from freezing.
Protect from sunlight and do not expose to temperatures exceeding 40°C.
Incompatible materials
Acids. Oxidizers.
Hazardous decomposition products
May include and are not limited to: Oxides of carbon.

Effects of acute exposure

- **Eye**: None expected during normal conditions of use. Slightly irritating to the eyes.
- **Skin**: None expected during normal conditions of use. Slightly irritating to the skin. Not expected to be a skin sensitizer.
- **Inhalation**: None expected during normal conditions of use.
- **Ingestion**: Health injuries are not known or expected under normal use.

Sensitization
The finished product is not expected to have chronic health effects.

Chronic effects
The finished product is not expected to have chronic health effects.

Carcinogenicity
The finished product is not expected to have chronic health effects.

Mutagenicity
The finished product is not expected to have chronic health effects.

Reproductive effects
The finished product is not expected to have chronic health effects.

Teratogenicity
The finished product is not expected to have chronic health effects.

15. Regulatory Information

Occupational Safety and Health Administration (OSHA)

29 CFR 1910.1200 hazardous chemical Yes

US Federal regulations

This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

Product Registration: Product is compliant with CPSC regulatory guidelines; a specific registration is not required for this product.

CERCLA (Superfund) reportable quantity

None

Superfund Amendments and Reauthorization Act of 1986 (SARA)

Hazard categories

Immediate Hazard - Yes
Delayed Hazard - No
Fire Hazard - Yes
Pressure Hazard - No
Reactivity Hazard - No

Section 302 extremely hazardous substance

No

Section 311 hazardous chemical

No

Clean Air Act (CAA)

Not available

Clean Water Act (CWA)

Not available

State regulations

This product does not contain a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

U.S. - California - 8 CCR Section 339 - Director's List of Hazardous Substances

Paraffin wax 8002-74-2 Present (fume)

U.S. - Massachusetts - Right To Know List
