1. Product and Company Identification

Product Name: LYSOL® No-Touch™ Antibacterial Hand Soap - All Scents

CAS #: Mixture

This MSDS is designed for workplace employees, emergency personnel and for other conditions and situations where there is a greater potential for large-scale or prolonged exposure, in accordance with requirements of the U.S. Government's Occupational Safety and Health Administration (OSHA).

This MSDS is not applicable for consumer use of our products. For consumer use, all precautionary and first aid language is provided on the product label in accordance with the applicable government regulation.

Product Use: Hand cleaner

Distributed by: Reckitt Benckiser
Morris Corporate Center IV
399 Interpace Parkway
P.O. Box 225
Parsippany, NJ 07054-0225

In Case of Emergency: 1-800-338-6167
Transportation Emergencies: 24 Hour Number:
North America: CHEMTREC: 1-800-424-9300
Outside North America: 1-703-527-3887

2. Hazards Identification

Emergency overview
This product is regulated by the US FDA as an over-the-counter, monograph drug. Warnings: For external use only.
When using this product: Avoid contact with eyes. In case of eye contact, flush eyes with water.
Stop use and ask a doctor if irritation or redness develops.
If swallowed, get medical help or contact a Poison Control Center right away.

KEEP OUT OF REACH OF CHILDREN.

Potential short term health effects

Routes of exposure
Eye, Skin contact, Inhalation, Ingestion.

Eyes
None expected during normal conditions of use.
May cause eye irritation upon direct contact with the eyes.

Skin
None expected during normal conditions of use.
Not expected to be a skin sensitizer.

Inhalation
None expected during normal conditions of use.

Ingestion
Health injuries are not known or expected under normal use.

Target organs
Eyes. Respiratory system. Skin.

Chronic effects
The finished product is not expected to have chronic health effects.

Signs and symptoms
There are no hazards associated with this product in normal use.

OSHA Regulatory Status
This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

Potential environmental effects
See section 12.
3. Composition / Information on Ingredients

</tbody>
</table>

4. First Aid Measures

First aid procedures
- **Eye contact**: In case of eye contact, flush eyes with water. Stop use and ask a doctor if irritation and redness develops. Remove contact lenses, if applicable, and continue flushing.
- **Skin contact**: Stop use and ask a doctor if irritation or redness develops.
- **Inhalation**: Move exposed person to fresh air.
- **Ingestion**: If swallowed, get medical help or contact a poison control center right away. Wash mouth out with water.

Notes to physician: Treat patient symptomatically.

General advice: If you feel unwell, seek medical advice (show the label where possible). Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves. Show this safety data sheet to the doctor in attendance. Keep out of reach of children. Avoid contact with eyes.

5. Fire Fighting Measures

6. Accidental Release Measures

| Personal precautions                      | Ensure adequate ventilation. |
|-------------------------------------------| Avoid contact with eyes.     |
|                                          | Floors may become slippery. |
|                                          | Keep unnecessary personnel away. |
| Environmental precautions                 | Do not discharge into lakes, streams, ponds or public waters. |
|                                          | Advise authorities if product has penetrated drains, sewers or water pipes. |
| Methods for containment                   | Stop leak if you can do so without risk. Prevent entry into waterways, sewers, basements or confined areas. |
| Methods for cleaning up                   | Before attempting clean up, refer to hazard data given above. Small spills may be absorbed with non-reactive absorbent and placed in suitable, covered, labelled containers. Prevent large spills from entering sewers or waterways. Contact emergency services and supplier for advice. Never return spills to original containers for re-use. |

7. Handling and Storage

Handling: Use according to package label instructions. Ensure adequate ventilation. Avoid contact with eyes. Do not ingest. For external use only. Do not reuse this container. Avoid breathing mists or vapors.
8. Exposure Controls / Personal Protection

Engineering controls
General ventilation normally adequate.

Personal protective equipment
Consult the product label for special protection or precautions that have been identified for using this product under directed consumer use conditions. The following recommendations are given for workplace employees, emergency personnel and for other conditions and situations where there is a greater potential for large-scale or prolonged exposure.

Eye / face protection
Avoid contact with eyes. If splashes are likely to occur, wear:
Safety glasses with side-shields.

Hand protection
No special requirements under normal use conditions.

Skin and body protection
Usual safety precautions while handling the product will provide adequate protection against injury or irritation.
Follow label directions carefully.

Respiratory protection
Not normally required under normal use conditions.

General hygiene considerations
Handle in accordance with good industrial hygiene and safety practice.

### 10. Stability and Reactivity

**Reactivity**
This product may react with strong oxidizing agents.

**Possibility of hazardous reactions**
Hazardous polymerization does not occur.

**Chemical stability**
Stable under recommended storage conditions.

**Conditions to avoid**
Do not mix with other chemicals.
Excessive heat.
Exposure to moisture.
Keep from freezing.

**Incompatible materials**
Do not mix with anything but water.

**Hazardous decomposition products**
May include and are not limited to: Oxides of carbon. Oxides of nitrogen.

#### Effects of acute exposure

| Eye | None expected during normal conditions of use. May cause eye irritation upon direct contact with the eyes. |
| Skin | None expected during normal conditions of use. Not expected to be a skin sensitizer. |
| Inhalation | None expected during normal conditions of use. |
| Ingestion | Health injuries are not known or expected under normal use. |
| Sensitization | The finished product is not expected to have chronic health effects. |
| Chronic effects | The finished product is not expected to have chronic health effects. |
| Carcinogenicity | The finished product is not expected to have chronic health effects. |
| Mutagenicity | The finished product is not expected to have chronic health effects. |
| Reproductive effects | The finished product is not expected to have chronic health effects. |
| Teratogenicity | The finished product is not expected to have chronic health effects. |

15. Regulatory Information

Occupational Safety and Health Administration (OSHA)
29 CFR 1910.1200 hazardous chemical: Yes

US Federal regulations: This product is a “Hazardous Chemical” as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

Product Registration: Registered with FDA

CERCLA (Superfund) reportable quantity:
Formic acid: 5000.0000

Superfund Amendments and Reauthorization Act of 1986 (SARA)
Hazard categories:
Immediate Hazard - No
Delayed Hazard - No
Fire Hazard - No
Pressure Hazard - No
Reactivity Hazard - No
Section 302 extremely hazardous substance: No
Section 311 hazardous chemical: No

Clean Water Act (CWA): Not available
State regulations: See below

Inventory status:
Country(s) or region: United States & Puerto Rico
Inventory name: Toxic Substances Control Act (TSCA) Inventory
On inventory (yes/no)*: Yes

A “Yes” indicates that all components of this product comply with the inventory requirements administered by the governing country(s).

16. Other Information

Disclaimer:
This product should only be used as directed on the label and for the purpose intended. To the best of our knowledge, the information contained herein is accurate. However, neither the above named supplier nor any of its subsidiaries assumes any liability whatsoever for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.
