Manufacturer: WD-40 BIKE Company
Address: 637 Valley Avenue, Suite A/B
Solana Beach, California, USA 92075
Telephone: Emergency only: 1-888-324-7596 (PROSAR)
Information: 1-888-324-7596
Chemical Spills: 1-800-424-9300 (Chemtrec)
1-703-527-3887 (International Calls)

2 – Hazards Identification

Hazcom 2012/GHS Classification:
Not hazardous

Note: This product is a consumer product and is labeled in accordance with the US Consumer Product Safety Commission regulations which take precedence over OSHA Hazard Communication labeling.

Label Elements:
Not Required

3 - Composition/Information on Ingredients

4 – First Aid Measures

**Ingestion (Swallowed):** Rinse out mouth and give sips of water. Do not induce vomiting unless directed to do so by medical personnel. Get medical attention. Call physician, poison control center or the WD-40 Safety Hotline at 1-888-324-7596.

**Eye Contact:** Flush thoroughly with water for several minutes then remove contact lenses if present. Continue flushing eyes for at least 15 minutes. Get medical attention if irritation persists.

**Skin Contact:** Wash with water. If irritation develops and persists, get medical attention.

**Inhalation (Breathing):** If irritation is experienced, move to fresh air. Get medical attention if irritation or other symptoms develop and persist.

**Signs and Symptoms of Exposure:** May cause mild eye irritation. May cause mild skin irritation and dryness on prolonged contact.

**Indication of Immediate Medical Attention/Special Treatment Needed:** Immediate medical attention is not required.

5 – Fire Fighting Measures

**Suitable (and unsuitable) Extinguishing Media** This product is not flammable or combustible. Use any media that is appropriate for the surrounding fire.

**Specific Hazards Arising from the Chemical:** Thermal decomposition will release oxides of carbon. Residue may burn after water has evaporated.
Special Protective Equipment and Precautions for Fire-Fighters: No special precautions needed.

6 – Accidental Release Measures

**Personal Precautions, Protective Equipment and Emergency Procedures:** Wear appropriate protective clothing (see Section 8). Avoid contact with the spilled material.

**Methods and Materials for Containment/Cleanup:** Small spills can be neutralized with acetic acid and washed down the drain with plenty of water or collected with an absorbent material and placed in a container for disposal. Clean the spill area with water. Large spills should be contained with an inert absorbent material. Collect into containers for proper disposal.

7 – Handling and Storage

**Precautions for Safe Handling:** Prevent contact with eyes, skin and clothing. Avoid breathing vapors or mists. Use with adequate ventilation. Keep container closed when not in use. Immediately remove any contaminated clothing and launder before reuse. Wash thoroughly after use. Keep out of the reach of children. Do not use with any other cleaning agents or household chemicals. Dangerous reactions may occur.

**Conditions for Safe Storage:** Store in a cool, dry area, away from incompatible materials.

8 – Exposure Controls/Personal Protection

<table>

</tbody>
</table>

The Following Controls are Recommended for Normal Consumer Use of this Product

**Appropriate Engineering Controls:** Use in a well-ventilated area.

**Engineering Controls:** No special controls needed.

**Personal Protection:**

**Eye Protection:** Avoid eye contact. No special protection is required for normal use.

**Skin Protection:** No special protection is required for normal use. For sensitive skin or prolonged use, wear rubber gloves.

**Respiratory Protection:** None required.

For Bulk Processing or Workplace Use the Following Controls are Recommended

**Engineering Controls:** Use with adequate general ventilation or local exhaust to minimize exposure levels.

**Personal Protection:**

**Eye Protection:** Safety glasses or goggles recommended if splashing or exposure to spray mists is possible.

**Skin Protection:** Wear rubber gloves and protective clothing if needed to avoid prolonged skin contact.

**Respiratory Protection:** None normally required. If exposure levels are excessive and irritation is experienced, wear an approved respirator. Selection of respiratory protection depends on the contaminant type, form and concentration. Select in accordance with OSHA 1910.134 and good Industrial Hygiene practice.

**Work/Hygiene Practices:** Avoid contact with the eyes. Wash hands thoroughly after use.

9 – Physical and Chemical Properties

### 10 – Stability and Reactivity

**Reactivity:** Not reactive under normal conditions.

**Chemical Stability:** Stable.

**Possibility of Hazardous Reactions:** None known.

**Conditions to Avoid:** None known.

**Incompatible Materials:** Strong acids and oxidizing agents.

**Hazardous Decomposition Products:** Thermal decomposition may release oxides of phosphorus, carbon and nitrogen.

### 11 – Toxicological Information

**Symptoms of Overexposure:**
- **Inhalation:** Breathing of mists may cause mild irritation to the eyes, mucous membranes of the throat and nose and upper respiratory tract.
- **Skin Contact:** May cause mild skin irritation on prolonged contact.
- **Eye Contact:** Causes eye irritation with pain, tearing, swelling and redness.
- **Ingestion:** May be harmful if swallowed. May cause irritation to the mouth and gastrointestinal tract. May cause abdominal pain, nausea and vomiting.

**Carcinogen Status:** None of the components are listed as a carcinogen or suspect carcinogen by IARC, NTP, ACGIH or OSHA.

**Reproductive Toxicity:** None of the components is considered a reproductive hazard.

**Numerical Measures of Toxicity:**
- Sodium Tripolyphosphate: Oral LD50 rat 3900 mg/kg, Dermal LD50 rabbit >4640 mg/kg.
- Surfactants: No data is available.

### 12 – Ecological Information

**Ecotoxicity:** No specific aquatic toxicity data is currently available.

**Persistence and Degradability:** No data available.

**Bioaccumulative Potential:** No data available.

**Mobility in Soil:** No data available.

**Other Adverse Effects:** None known.

### 13 - Disposal Considerations

Dispose in accordance with local, state and federal regulations.

### 14 – Transportation Information

**DOT Classification:** Not Regulated

**IMDG Shipping Description:** Not Regulated

**ICAO Shipping Description:** Not Regulated

**NOTE:** WD-40 does not test containers to assure that they can withstand the pressure change without leakage when transported by air. We do not recommend that our products be transported by air unless a specific review is conducted.
15 – Regulatory Information

U.S. Federal Regulations:
CERCLA 103 Reportable Quantity: This product has a CERCLA reportable quantity of 100,000 lbs based on the RQ for sodium tripolyphosphate of 5000 lbs. Many states have more stringent release reporting requirements. Report spills required under federal, state and local regulations.

SARA TITLE III:
Hazard Category For Section 311/312: Acute Health
Section 313 Toxic Chemicals: This product contains the following chemicals subject to SARA Title III
Section 313 Reporting requirements: None
Section 302 Extremely Hazardous Substances (TPQ): None
EPA Toxic Substances Control Act (TSCA) Status: All of the components of this product are listed on the TSCA inventory.

VOC Regulations: This product complies with the consumer product VOC limits of CARB, the US EPA and states adopting the OTC VOC rules.
California Safe Drinking Water and Toxic Enforcement Act (Proposition 65): This product does not contain chemicals regulated under California Proposition 65.
Canadian Environmental Protection Act: All of the ingredients are listed on the Canadian Domestic Substances List or exempt from notification.
Canadian WHMIS Classification: Not a controlled product
This SDS has been prepared according to the criteria of the Controlled Products Regulation (CPR) and the SDS contains all of the information required by the CPR.

16 – Other Information:

HMIS Hazard Rating:
Health – 1 (Slight hazard), Fire Hazard – 0 (minimal hazard), Physical Hazard – 0 (minimal hazard)

Revision Date: October 20, 2014
Supersedes: May 5, 2013

Revision Summary: Convert to Hazcom 2012. Changes in all sections.
